New volunteers must complete a one-month probation. To extend to a second month, the Animal Care Supervisors will discuss extensions, based on performance, on a case-by-case basis.

Where possible, volunteers are welcome to stay in the on-site rooms neighboring our animals (though these are first-come, first-served).

Currently, the minimum stay is 1 month and the maximum 3 months – although this can be extended in certain cases.

All volunteers must be at least 25 years of age.

If you have questions or concerns, please check first that they are not already answered in the packs before emailing us. If you can't find the answer there, then please contact volunteer@lantaanimalwelfare.com
